4. [REDACTED] Talked with Mr. William Woodruff who is acting for Senator Milton Young in connection with a briefing of the Senator which he requested of the Director. Woodruff furnished me the itinerary and inquired if a meeting with the Senator at 1:30 on 5 October 1964 in Room 1223 New Senate Office Building, would be satisfactory since the Senator was anxious to have this before he left town and he wished to leave very soon. I stated this time would be satisfactory and necessary requests have gone to DD/P and DD/I.

8. [REDACTED] In connection with the request from Colonel Glenn Smith, Senate Preparedness Investigating Subcommittee staff, [REDACTED] OSI advised that he had discussed Colonel Smith's request for material for Senator Stennis' statement (see Journal of 1 October 1964) with the AD/SI. It was determined that we would provide Colonel Smith with a copy of "The Atomic Energy Desk Book" which contains information from unclassified sources on the atomic energy programs of various countries and would also give to Colonel Smith a citation from a NEW YORK TIMES magazine article of interest on this subject. Both of these were given to Colonel Smith later in the day.

9. [REDACTED] Talked with George Murphy, Joint Committee on Atomic Energy staff, regarding his request with respect to possible U.S. plans concerning Chinese Communist nuclear reactors (see Journal of 1 October 1964). I called Murphy's attention to today's NEW YORK TIMES article on this subject. Murphy said he felt this was sufficient explanation for their purposes and nothing further was required from us.
